

# VIVID

BY VERITA HEALTH

THE IV DRIP BAR

## TREAT YOUR BODY LIKE A **VIP**

The perfect pit-stop for busy go-getters seeking instant cellular rejuvenation, VIVID by Verita is a vibrant IV drip bar that provides therapies and treatments designed to return vigour, energy and balance to modern lives.

Whatever the concern, VIVID has a range of highly bio-available formulations offered as infusions, pushes and shots, in addition to aesthetic medicine and injectables.

Our well-researched therapies are scientifically proven to promote a host of powerful health benefits designed to enhance mental clarity, supercharge the immune system, beat fatigue, alleviate hangover symptoms, boost metabolism, and provide more energy to enhance overall wellbeing.

We recognise you as an individual and are committed to personalising your VIVID experience. Each cocktail is carefully curated on location to ensure maximum quality and opitimal results.

## IV DRIP BAR

### **HANGOVER**

#### RECOVER + REVITALISE

Rehydrate and flush out alcohol toxins to reset your system after a big night out.

### **RECOVERY**

#### HEAL + REGENERATE

Recover faster from workouts and get back in the game by boosting cell regeneration, promoting tissue recovery and reducing inflammation.

### **BEAUTY**

#### GLOW + REJUVENATE

Promote collagen production and a healthy glow with antioxidants to rejuvenate and protect your complexion from UV and free radical damage.

### **JET LAG**

#### REHYDRATE + REVIVE

Combat travel fatigue and dehydration by calming intestinal discomfort and clearing mental fog for improved sleep.

### **IMMUNITY**

#### GUARD + DEFEND

Strengthen your immune system against infection to fight off cold and flu symptoms while fortifying your body's natural defense system.

*NOTE: For your benefit, our formulations are constantly researched and refined to include the highest quality and most therapeutic ingredients.*

## IV DRIP BAR

### **SLIM**

#### BURN + BUILD

Increase your metabolism to stimulate fat burning and toxin elimination while reducing appetite and supporting muscle growth.

### **ENERGY**

#### INVIGORATE + REFRESH

Erase tiredness and fatigue for improved mental clarity and supercharge energy levels by decreasing toxicity levels within the body.

### **BRAIN**

#### FOCUS + ENHANCE

Unleash mental precision and focus to enhance brain performance, elevate memory retention and increase attention levels.

### **LIMITLESS**

#### RENEW + INVIGORATE

Hailed as the “Fountain of Youth”, our star ingredient has been shown to silence genes that accelerate the aging process. It makes cells resistant to stress and boosts brain function for better mood and mental clarity. It helps repair damaged DNA, reduces inflammation and fatigue.

*NOTE: For your benefit, our formulations are constantly researched and refined to include the highest quality and most therapeutic ingredients.*

## IV PUSHES

### BEAUTY EXPRESS

Reduce signs of ageing and brighten tired looking skin by flushing out toxins and combatting free radicals.

### EXECUTIVE

Over long periods of stress and decreased melatonin through lack of sleep, energy levels deplete. Restart your engine and optimise performance and cognitive function by increasing antioxidants and anti-inflammatories to strengthen all internal systems.

### IMMUNE EXPRESS

Strengthen the immune system to prevent travel-related illnesses and combat common viruses and bacteria.

### ENERGY EXPRESS

Recharge your body's energy levels and banish fatigue by enhancing overall cellular function.

*NOTE: For your benefit, our formulations are constantly researched and refined to include the highest quality and most therapeutic ingredients.*

## BOOSTER SHOTS

### GLOW

Strengthen hair and nails while improving skin clarity and brightness for that perfect skin glow.

### FOCUS

Recharge energy levels and intensify focus and concentration while reducing signs of fatigue and stress.

### MOOD

Brighten your day with “liquid sunshine” to help alleviate depression, uplift your mood and induce the body's natural happy hormones.

### FAT BURN

After any workout focus on speeding up metabolism to stimulate fat burning while reducing appetite.

### MUSCLE

Amino acids support muscle growth and promote recovery while promoting fat burning and increasing stamina.

*NOTE: For your benefit, our formulations are constantly researched and refined to include the highest quality and most therapeutic ingredients.*

## **ELEMENTS OF WELLNESS**

Live your life vibrantly and vividly with our exclusive Elements of Wellness. Recharge your system and optimize your well-being naturally so you can make the most of every day.

### **OXYGEN**

#### **MEDICAL-GRADE OXYGEN THERAPY**

Increase your body's oxygen to keep cells healthy, reduce inflammation and increase energy levels. Oxygen can help alleviate stress, reduce hangovers, promote recovery and increase alertness.

#### **MEDICAL-GRADE OXYGEN THERAPY WITH AROMATHERAPY**

Enhance your oxygen session with all-natural aromatherapy such as relaxing Lavender or invigorating Eucalyptus.

### **LIGHT**

#### **LUMINETTE LIGHT THERAPY**

Benefit from the replenishing effects of the sun in a safe, controlled environment to balance the circadian rhythm and elevate mood while encouraging a night of restful deep sleep.

## **REJUVENATE AND DEFINE**

At the forefront of anti-ageing cosmetic treatments, VIVID's aesthetics experts employ advanced techniques to lift, rejuvenate, tighten, contour, enhance and sculpt facial features using Botox and dermal fillers.

### **FACE**

#### **BOTOX**

##### **SMOOTH + CORRECT**

Fight the signs of ageing by reducing the appearance of fine lines and wrinkles. Enhance your profile with V-shaped contour or put an end to excessive sweating.

#### **DERMAL FILLERS**

##### **LIFT + CONTOUR**

Rejuvenate your face by augmenting cheeks or contouring chin and jawline. Plump out sunken eyes or add subtle volume to your lips for a natural look.

#### **LIQUID FACELIFT**

##### **REJUVENATE**

A non-surgical treatment, the liquid facelift uses injectables to fill wrinkles and add volume to the face for a younger, more refreshed look.
